## Missionary Evangelism Intern

On August 9th I will move to Donna, Texas to serve with Missionary Evangelism as a missionary intern for a year. I am amazed at the way in which God has provided a job for me where I can do all of the things I am passionate about, working with orphans, doing photography and video, and editing, while serving Him and His people! I ask for you to pray that I would grow in Christ, serve joyfully, and make wise decisions. I need to raise around \$850 per month for 10-11 months. I ask that you would prayerfully consider partnering with me in my ministry in Texas and Mexico. As Paul said in his letter to the Philipians, it is not the gift that I seek but the fruit that increases to your credit.
